- 20-34
- 45-54
- 55-70
- Over 70

# Opportunities for Input

## WE WANT TO HEAR FROM YOU!

Click on the images below to visit different input activities.

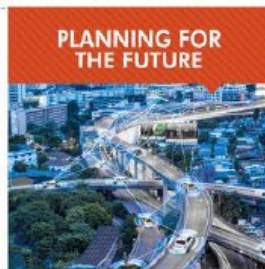

### Funding

It's time to talk dollars and cents! Learn about how the NDDOT is funded, and try your hand at balancing the budget.

### Priorities Survey

If you were the Director of the NDDOT, what would your top priority be?

### Scenario Planning

What will North Dakota be like in 2045? While we can't predict exactly what the future holds, join us in exploring four possible scenarios and share your feedback on each.

### Transportation Connection 101

This interactive tour + survey is your opportunity to learn more about Transportation Connection - a plan for the future of transportation in North Dakota - and your opportunity to tell us what is important. Thanks for clicking through and answering a few quick questions.

## PRIORITIES SURVEY

What are the most significant transportation issues facing North Dakota today?  
(Choose your top 3 issues)

- Being Safe
- Fixing What We Have
- Getting Around
- Building Communities
- Supporting Economies
- Paying for Transportation

When you step out of your front door to go somewhere, how do you expect the transportation system to work for you? (Reorder the selections with the most important on top leading to the least important on the bottom)

- 1: I want to get around quickly and without delay
- 2: I want travel to be easy, connected, with travel information online
- 3: I want more travel choices and options besides my car
